Wendy Dale, Appellant Pro Se. Algernon Lee Butler, III, Wilmington, North Carolina, for  
Appellee.

---

Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Wendy Dale appeals from the district court's order: (1) dismissing her appeal from the bankruptcy court's order limiting her claimed exemption in a lawsuit and prohibiting her from amending her claim of exemptions; and (2) affirming the bankruptcy court's orders quashing Dale's subpoena, denying her motion to reconsider the order approving a settlement agreement and denying her motion to convert her case, denying reconsideration of the exemption order, denying her motion for a declaratory judgment, and imposing sanctions. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. *Dale v. Butler*, No. 7:20-cv-00184-BR (E.D.N.C. Sept. 14, 2021). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
